Subject: PDE02855_Ref SAP - fields on Headingley Hill

To whom it may concern,

I am a resident of headingley and am writing to request that the site on Headingley Hill shown on the attached map to be designated as Amenity Green Space in the SAP as currently the SAP fails to designate a large section of the fields on Headingley Hill as Amenity Green Space, even though Headingley is deficient in all categories of green space.

Yours sincerely,
