Message : Dear Sir / Madam I am writing to express my horror and extreme disappointment that you are considering building more houses around the Silverdale Avenue area. The traffic congestion at the moment is appalling and ever increasing and trying to get out of Silverdale Avenue on to Park Road is a nightmare. Cars park at the moment along the avenue, particularly near the entrance to Park Road and getting in and out is very difficult. It requires a great deal of patience. If more houses were to be built, things would become ridiculous. Signed by a very frustrated and anxious resident, Bryan Stone PS I look forward to hearing you have cancelled these plans.

Thanks
