Message : I wish to register my strong objection to the plans for a new housing development on greenbelt land off Colton Road East. This massive increase in housing will overload local roads, exceed the capacity of already full local schools and destroy the 'village feel' of Colton. Like us, many Colton residents were attracted here by the village's rural ambiance and the impression that adjacent greenbelt, listed buildings, monuments and parkland would not be aggressively developed. Clearly wrong. Please register my abject opposition to these plans.

Thanks
