Subject: RE: Leeds Local Development Framework (Local Plan) Site Allocations Plan & Aire Valley Leeds Area Action Plan – Publication Drafts Consultation 22nd September – 16th November 2015 (5:00pm)

Dear Sir/Madam

**Leeds Local Development Framework (Local Plan)
Site Allocations Plan & Aire Valley Leeds Area Action Plan – Publication Drafts
Consultation 22nd September – 16th November 2015 (5:00pm)**

I am writing to seek your comments on the Site Allocations Plan and Aire Valley Leeds Area Action Plan Publication Drafts. This is the final chance to comment on the document before they are submitted to the Secretary of State for independent examination.

These Plans form part of the Local Development Framework (Local Plan) for Leeds and have been prepared within the context of the Leeds Core Strategy (adopted November 2014). A key focus of these Plans is the allocation of land for Housing and Employment, to meet the targets agreed in the Core Strategy, as well as designations for Green space and Retail centres.

Aire Valley Leeds has the potential to deliver up to 7,800 new homes and 255 hectares of employment land to create thousands of new job opportunities as well as new community facilities and leisure and visitor attractions. These growth targets are set out in the Core Strategy.

Following earlier consultation on the Site Allocations Plan (June – July 2013) and the Aire Valley Leeds Area Action Plan (since 2005, including Issues & Options, Preferred Options and revisions to the Plan area) and consideration by the City Council's Executive Board on 15th July 2015, Publication documents have now been prepared for an 8 week period of consultation, which starts on 22nd September for 8 weeks. The following documents will be available from 22nd September:

- Site Allocations Plan - Publication Draft,
- Aire Valley Leeds Area Action Plan – Publication Draft,
- Sustainability Appraisal Report – Full Version and Non-Technical Summary for both Plans,
- Habitat Regulations Assessment Screening
- Background Papers (Retail, Employment, Green space, Housing, Green Belt Review, Infrastructure, Flood Risk Sequential Test, Duty to Cooperate, Environmental Designations, Aire Valley Leeds AAP – Green space, Aire Valley Leeds Flood Risk Sequential and Exception Test, Aire Valley Leeds AAP Infrastructure)

Tests of Soundness

We are only asking for views about the 'soundness' of the Plans, relating to have they been positively prepared ?, Are they justified ?, Will they be Effective ?, Are they consistent with the National Planning Policy Framework ? An independent Inspector will examine these Plans against these tests. More information on the tests of soundness can be found in the Planning Inspectorate's guidance document 'Local Development Frameworks: Examining Development Plan Documents – Soundness Guidance'. This is available from www.planning-inspectorate.gov.uk and also available as a link on our LDF web page.

Yours sincerely

David Feeney
