Message : I wish to object in the strongest possible terms to the idiotic plan to build 700 houses on the A65 Horsforth/Rawdon/Guiseley road. This ill thought out, and ridiculous plan, has not for one minute considered the people who live in the area, the congestion that will occur, as this road is already heavily congested and more traffic will result in gridlock at peak times. Not to mention the huge visual impact and the retrograde environmental impact that this will cause. This half baked plan MUST be abandoned immediately, stop wasting council taxpayers money NOW!

Thanks
