I object to your planning on sites 2163, 1180, 1311 & 1113

Guiseley has already been saturated by new houses being built. Now you want to build more!!!!!!

The infrastructure cannot cope. There is no room at doctors, dentists and schools.

The roads and trains are full up. They cannot take any more traffic.

Why are you trying to destroy Guiseley?

Harrogate Council is not building more homes so why are you?

Guiseley is a small town, we don't want to be a big town.

The A65 is a carpark at weekends. Park Road is a small road not fit for heavy traffic, Silverdale Avenue

is a small road not fit for heavy traffic.

Can you imagine the future if ALL GREEN BELT is built on?????

Marjorie Wilson
57 Silverdale Drive
Guiseley
