Dear Sir

Re Horsforth Development Plan

As property owners (255 New Road Side, Horsforth, LS18 4DR) and residents (117 Hall Lane, Horsforth, LS18 5LZ) we write to express our concerns around the proposal to release the undermentioned Green Belt sites at;

HG2 - 41 Fields South of A65, Horsforth roundabout to the crematorium.

HG2 - Fields at Horsforth College Campus.

HG2 - Fields at Woodlands Drive, Rawdon.

HG3 - 2, HG3 - 4 Fields off A65, Rawdon.

As;

- a) the proposal to include these Green Belt sites in the Local Plan is NOT consistent with the national policy.
- b) the proposal to use Green Belt before Brownfield is not justified.
- c) the proposal to use This Strategic Green Infrastructure goes against the Leeds Core Strategy.
- d) congestion along the A65 is already dangerously high.
- e) construction of additional housing will have a detrimental effect on our health and wellbeing.
- f) the Fields at HG2 - 41 Fields South of A65, Horsforth are of particular pleasure to the whole of our family as we have spent many hours picking our own strawberries and asparagus over the course of the past 10 years or more.
- g) there are numerous alternative sites which would not add to the already over congested roundabout at the junction of the Ring Road and the A65.

With kind regards

Phil and Amanda Sweeting
