Subject: PDE00119_Proposed Development at Church Lane Paddock, Meanwood
Date: 31 October 2015 16:52:04

Hi

I'd like to register my concerns with the proposed development at Church Lane Paddock, Meanwood.

I live at 6 Parkside Crescent which is next door to the proposed development. Obviously it's in my interest to not have these houses built, for all the reasons stated in the letter. Plus I just prefer green land and space for wildlife to cookie cutter housing estates.

I just think it's unnecessary to build on every piece of available land, it's just greedy.

I am by no means a hippy, but I understand the concept of balancing urban areas with greenery. Proportionate areas of green land is what defines the character of Leeds and it provides a refuge for wildlife who also deserve a place to live.

I don't think that the council should serve the short term, quick money developers who are just looking to build the cheapest house to make the most profit and in the process, eroding our area and the investment we made into living here.

Would someone be able to reply to this email and let me know that my concerns have been voiced. Also my fiance would like to oppose the plans, so if you could let us know if there are any petitions so that we can both sign to try and prevent this from happening.

Cheers

Jim Monkhouse
