Dear Sir/Madame

I am mailing you to voice my opposition to the propositions of the over development of Guiseley and its surrounding area. I have lived in the area for 15 years and have already seen a lot of development in the area. The sheer number of properties that are planned will swamp Guiseley and its already inadequate amenities such as schools and doctors. At the present Guiseley appears to be ill served by the road and rail network in respect of their capacity ability, that's not even touching on parking.

I could go on and on, but all I will say is please lets keep Guiseley as a pleasant town on the edge of Leeds and Bradford. I do realise that there is a huge need for housing in the whole country, all I ask is that full consideration of local views, greenfield sites, local amenities and infrastructure is taken.

Regards Alison Button
