Message : I would like to register my objection to the proposed allocation of greenfield sites in the Rawdon to Horsforth corridor . There are far too many cars using the Leeds and Rawdon Road now so how can building 500 houses help traffic pollution and higher risks to cyclist by making this road as busy as a dual carriageway .The loss of rural breaks between towns and villages are crucial to maintain the British way of life we do not want to live in urban sprawls of countless houses with no space to take stock of our green and pleasant land . Stop building on greenfield sites and start to regenerate brown field sites and defunct retail areas into social and private houses Reqwrds Paul Wilkindon Holmehurst Lodge Cliffe Drive Leeds LS19 6RR
