Subject: PDE00199_Rawdon Proposed Greenbelt Development Objection
Date: 27 October 2015 13:33:23

I am writing to complain regarding the site allocations for housing in Rawdon/Horsforth areas. Especially HG3-4, HG3-2, HG3-3 and HG2-12.

I do not feel that the total number of proposed housing is justified and your plans go against national policy to only build on brownfield and greenfield sites.

If all your housing development goes ahead, the area will be choked, Rawdon and Horsforth will be merged and we will simply become a suburb of Leeds. The whole character of these areas will be lost forever.

I strongly object to such a vast expansion of housing in this area and sincerely hope my views will be taken into consideration.

Yours faithfully,

Pauline Farnworth
