Subject: PDE00208_Housing in Yeadon, Rawdon, Guiseley - greenbelt land
Date: 27 October 2015 10:00:36

Hello

I am writing to tell you I completely and utterly object to the housing plans that are being proposed on greenbelt land in the above areas.

Why is this even being considered?

What about wildlife?

What about road congestion?

What about lack of infrastructure (doctors, schools, dentists, public transport)?

What about using brow fill first?

I think we all need answers to these questions, please.

I look forward to hearing from you..

Kind regards
