Hi

I'll get this into the right hands

Steve

Please note and add to consultation

Thanks

Mark

Dear Mark,

I have a number of concerns about the huge application for houses in Garforth.

Especially the farmers,

Do the planning committee really feel that Garforth needs and more importantly can cope with such a large expansion.

Garforth already floods,

How will the drainage cope,

Schools are already all over subscribed.

Traffic, I have heard that woodlands drive may be used as a through Road.

I hope not,

As there are already issues with this road already. ( cars parked as Park and ride for East Garforth train station,  
Leading to great difficulty trying to get out of woodlands drive, as one side of the road is blocked all the way down by cars and you cannot see round the corner. It is very dangerous.

And living next to green lane primary academy,

Any more traffic would make life more difficult than it is presently.

Please ask the planning committee,

How they plan to address the problems Garforth has with drainage, traffic, doctors, schools and general infrastructure will cope.

Thank you for time with this matter
