Date: 26 October 2015 20:09:24
Importance: High

Please find below the details of the new enquiry submitted by the public user on the Leeds WebSite :

Name : Lisa Guy

Source : <http://www.leeds.gov.uk/Pages/contactbyemail.aspx>

Message : Opposition to the planned housing development in Colton Village. I would like to register my total disapproval of the plan to build houses off Colton Road East. Roads and public services are already struggling to cope and there is no way it can safely accomodate the planned increase in residents!! In addition how can the council justify sacrificing treasured green belt land when the city has plenty of other far more suitable areas to build on. The plan is a total disgrace

Thanks
