Dear Sir/Madam

I live in Rawdon and I am writing to object to your plans to develop housing in this area and the surrounding areas.

Most importantly your site suggestions are in green belt areas which is why I chose to live here. It can only serve to spoil this beautiful area which is disastrous.

We do not have the traffic in fracture or local amenities to allow this to happen Our local ring road is already intolerable!

Surely developers should as their name suggests, be developing areas that need regeneration and improvement. Area nearer to the city centre that need funding to improve the environment.
