---

Dear sir

I am writing to raise my concerns regarding the proposed building of houses on the above site. This area can't cope at the moment with amount of traffic on the busy A65, the primary and secondary schools are already at maximum capacity and it is a nightmare trying to obtain a dental or doctors appointment at the moment with bringing more people in to use these already over stretched facilities.

The proposed area is also home to woodpeckers bats and owls as well as having mature and rare trees.

I hope the council will listen to sense in stead of just banging up more houses on another depleting greenbelt field

Regards

Mrs Ruth Grimshaw
