Dear Sirs,

I would like to lodge my objection to the plan ref HG2-10(1221) Gill Lane Fields because this site is classified as Green Belt. It is adjacent to the extremely busy A65 & would only add to the traffic problem on this road. Our local schools, doctors & other health services are stretched enough with the increase in housing developments in Aireborough in recent years.

Yours faithfully,

Sharron Broadhead,

39 Haw Avenue, Yeadon, LS19 &XE
