ref hg2-3/1255b

I am writing to object to the above plan to build houses on Green Belt land. As you are no doubt aware a similar plan was declined in 1993 for the following reasons; the site is green belt, inadequate access, loss of residential amenity, landscape character and detrimental to highway and pedestrian safety. Delays on Queensway are already considerable at bust times, and this would only be made worse. Congestion around Queensway school also is a serious issue and risks the safety of our children. The fields around that area are also used extensively by the red kites, and the disruption of a building site would affect their food sources.

yours,

Mrs J Wolforth
38 Coppice Wood Avenue
LS20 9JS
