To whom it may concern, please note below Green Belt sites, I am writing to ask LCC not to build on these sites.

The proposal to include these green belt sites in the Local Plan is not consistent with the national policy.

HG2-41 Fields south to A65 Horsforth Roundabout to Crematorium

HG2-42 Fields at Broadway and Calverley Lane Horsforth

HG2-43 Fields at Horsforth College Campus

HG2-12 Fields at Woodlands Drive Rawdon

HG3-2 HG3-4 Fields off A65 Rawdon

I have lived in Horsforth all my life and recently moved to Otley, I still have 2 fields in Horsforth that I keep Horses and Live stock in. We have had this field for over 30 years but every other field around us is disappearing!

Many locals with children visit to feed the animals, and many have become friends, there are enough people living in Horsforth now and I think any further building will be terrible on the environment never mind schools/doctors and traffic!!
