I would like to place on record my objection to the planned building of 155 new houses at A65/Gill lane yeadon. The roads cannot handle any more additional cars, the schools are already full. Within a 3 mile radius of yeadon there are already plans for numerous new houses. The Apperly bridge train station is going to cause more traffic issues. Why does the council think it is a good idea to destroy more green belt land???

Regards
Kevin sumpter
