Message : I would like to register my opposition to the proposed Traveller site on Tong Road/Lakeside Road. Policy HG7-2. Where my home is situated we would be directly facing the proposed site, having had travellers there in the past illegally, I am all to aware of the disruption and mess that comes along with them. We have elderly neighbours who are out of their minds with worry at the prospect and families with young children are also greatly concerned about their safety and well-being. I work in Gildersome and understand some of the problems that have occurred in the area due to the site at Cottingly Springs. I would ask you to consider my opposition to the proposed site and hope that their will be a full public consult! ation where residents can have their say.

Thanks
