I would like to register my objection to any further building on green field sites in Horsforth. You are planning hundreds of new homes, where are all these people going to find a doctors surgery, a dental practice not to mention schools for all the extra children. Services are already stretched as it is, my son in law had to wait nearly a year before he could register with a dentist. These new plans are totally ridiculous and to say you plan to build affordable homes, I think that is a myth, they will be well out of a lot of peoples budget. Enough is enough!!
