Hello,

I am writing to object to the proposed building of houses on HG2-1 (3026) New Birks Farm Ings Lane Guiseley. I do not believe that the Leeds Site Allocation Plan is sound due to not doing a comprehensive green belt review. Transport reports and ecology reports have not been carried out.

There is already significant congestion on the main A65 and surrounding roads through Guiseley and increases in housing in the area will only exasperate this. Schools, doctors and dentist are already at capacity and cannot accommodate the proposed increase in numbers.

There must be other suitable sites that do not require building on precious green belt.

My address is 4 Beamsley Court, Menston, Ilkley, LS29 6FL

I would like to be kept informed of further updates.

Kind regards

Louise Bates
