Message : I would like to say I am very disappointed with the planning for houses around the A65 there are too many houses it is gridlocked already!! Menston are having more houses built the infra structure cannot take it why are they not building on the otley Bramhope greenbeltmor using the spare ground in the city centre? I have lived in Guiseley for over 40 years and it is getting more and more built up you can't get into the doctors dentist schools I find it heart breaking and when I went to the planning consultation meeting it was so difficult to understand hopefully this way I can let you know how I feel Regards Verna baker

Thanks
