Message : We should like to express in the strongest terms our disgust with and objection to any household building on greenfield sites in the Rodley/Farsley area. The traffic on the Ring Road, Calverley Lane and Rodley Lane is bad enough without adding to it! You seem to have no plans for extra schooling, public transport, medical facilities etc. etc. - you just keep on building houses that most people cannot afford. There are many brownfield sites to develop before you start messing with our countryside. 70 houses on Rodley Lane - are you mad?? And where on earth is there any room on New Street, Farsley, for 10 additional properties? In the Park????

Thanks
