10 November 2015

I wish to comment on three proposed housing sites in Bramhope included in the "Leeds Site Allocation Plan". I do not agree with the proposed development for the reasons below:

**HG2 - 15 (3400) Green Acres and Equestrian Centre**

- <!--[if !supportLists]-->• <!--[endif]-->Development would cause an unacceptable loss of the green belt and green fields
- <!--[if !supportLists]-->• <!--[endif]-->The site is on the fringe of the Conservation Area
- <!--[if !supportLists]-->• <!--[endif]-->There is a lack of local infrastructure to cope with such an increase in housing
- <!--[if !supportLists]-->

**HG2 - 16 (1002) Creskeld Lane, Bramhope - land to the rear of no 45**

- <!--[if !supportLists]-->• <!--[endif]-->Development on this site would create a disproportionate increase in a village classified as a smaller settlement
- <!--[if !supportLists]-->• <!--[endif]-->Development would cause an unacceptable loss of the green belt and green fields
- <!--[if !supportLists]-->• <!--[endif]-->The site is on the fringe of the Conservation Area
- <!--[if !supportLists]-->• <!--[endif]-->There is a lack of local infrastructure to cope with such an increase in housing
- <!--[if !supportLists]-->• <!--[endif]-->The A660 corridor would not be able to cope with the scale of such development

**HG2 - 17 (1080\_3367A) Breary Lane East, Bramhope LS16T**

<!--[if !supportLists]-->• <!--[endif]-->Development on this site would create a disproportionate increase in a village classified as a smaller settlement

<!--[if !supportLists]-->• <!--[endif]-->Development would cause an unacceptable loss of the green belt and green fields

<!--[if !supportLists]-->• <!--[endif]-->The site is on the fringe of the Conservation Area

<!--[if !supportLists]-->• <!--[endif]-->There is a lack of local infrastructure to cope with such an increase in housing

<!--[if !supportLists]-->• <!--[endif]-->The A660 corridor would not be able to cope with the scale of such development  
<!--[if !supportLineBreakNewLine]-->  
<!--[endif]-->

I would also like to comment on five sites previously considered for housing but not allocated in the plan:

#### **1181A Land at the Sycamores Site A**

<!--[if !supportLists]-->• <!--[endif]-->the site should remain in the greenbelt

<!--[if !supportLists]-->• <!--[endif]-->highway accessibility is poor

<!--[if !supportLists]-->• <!--[endif]-->the site would cause urban sprawl

#### **1181B Land at the Sycamores Site B**

<!--[if !supportLists]-->• <!--[endif]-->the site should remain in the greenbelt

<!--[if !supportLists]-->• <!--[endif]-->highway accessibility is poor

<!--[if !supportLists]-->• <!--[endif]-->the site would cause urban sprawl

#### **1204 Land at Old Manor Farm, off Old Lane, Bramhope LS16**

<!--[if !supportLists]-->• <!--[endif]-->the site should remain in the greenbelt

<!--[if !supportLists]-->• <!--[endif]-->highway accessibility is poor

<!--[if !supportLists]-->• <!--[endif]-->the site would cause urban sprawl

#### **3434 Land at Green Acres, Moor Road, Bramhope, LS16 9HJ**

<!--[if !supportLists]-->• <!--[endif]-->the site should remain in the greenbelt

<!--[if !supportLists]-->• <!--[endif]-->highway accessibility is poor

<!--[if !supportLists]-->• <!--[endif]-->the site would cause urban sprawl

**3367B Leeds Road, Bramhope Site B**

<!--[if !supportLists]-->• <!--[endif]-->the site should remain in the  
greenbelt

<!--[if !supportLists]-->• <!--[endif]-->highway accessibility is poor

<!--[if !supportLists]-->• <!--[endif]-->the site would cause urban sprawl
