Hello, my name is Sara Taylor and I live at 95 Silverdale Avenue Guiseley Ls20 8bg, I would like to register my objection to the proposed plans on coach road 2163, 1180 & 1311, & silverdale Allotments 113. Living in Guiseley for 13 years I have already noticed a dramatic increase in traffic, waiting time at doctors, dentist, schools being extended, my children's school has recently been extended, & it amazed me at when need be....Health & safety goes out of the window! I feel Guiseley is slowly being turned, from a small semi rural town into just another part of Leeds housing sprawl, with very little greenery in between city centre and here. I understand your thinking of building at Rawdon & Horseforth, all the traffic leading onto the A65 which is busy enough without any more! Surely there are more just as suitable areas elsewhere not as busy, but your choosing the more affluent areas of Leeds to maximise the developers profits! Green belt is for people to enjoy the greenery, go for walks, be active. We surely have a responsibility for future generations to keep these areas!

Yours Mrs Taylor
