---

Dear Sir or Madam

I wish to strongly object to your proposed new housing development on Coach Road Fields & Silverdale Allotments. Site codes HG2-5 (2163a/1180a/1311a). HG2-6 (1113).

The reasons I object are as follows:-

1) The access road which will lead to these proposed housing sites is inadequate. Silverdale Avenue is the only good access road into this area and is a narrow, congested road, with no off street parking on it, and it can hardly cope with the volume of traffic going on it now let alone more if a new housing development is built. This leads to another highly congested main access road, Park Road in Guiseley, which leads onto to A65 which is the main road into Leeds, which is where are nearest A & E emergency hospitals are and it is extremely congested most days of the week already with huge volumes of traffic. This could be fatal if an ambulance from our already highly populated estate needs to attend to an emergency. Also other emergency services too will struggle.

2) I moved to this area as it was close to greenbelt, building more houses in this area, will destroy our countryside, kill off wildlife and leave no recreations areas for residents to enjoy on our doorsteps, within walking distance to our home. This in itself will create more traffic on our roads if you have to get into a car and drive to somewhere for a walk in the countryside.

3) Lack of schools in our area, not enough places available to local residents as it is. NHS doctors, waiting times are crazy, sitting for hours on end in an open surgery to see a doctors, this will add to waiting times and could prove fatal, if people can't been seen by a doctor. Dentists, 1 NHS in this area, with a waiting list, I have to pay to go private and I have lived in this area for over 35 years how is it going to cope with all these new families coming into an already over populations area.

For these reasons I wish to oppose the building of more housing in these areas.

Yours faithfully

Louise Goodall & Philip Palfreyman  
6 Bransdale Avenue  
Guiseley
