I wish to object to the proposed plans to build new housing on the following sites in the Horsforth area.

HG2-41 Fields South of A65, Horsforth Roundabout to The Crematorium

HG2-43 Fields at Horsforth College Campus.

HG2-12 Fields at Woodlands Drive, Rawdon.

HG3-2, HG3-3, HG3-4 Fields off A65, Rawdon.

The proposal to include these Green Belt sites in the Local Plan is NOT consistent with the National policy.

The proposal to use Green Belt land before Brownfield sites is not justified and these sites should be utilised firstly.

The proposal to use this Strategic Green infrastructure goes AGAINST the Leeds Core Strategy.

These sights are important to my family we regularly walk and cycle, using these areas and to build housing on these sites would prevent us from using them

I strongly oppose all this potential house building the infrastructure cannot cope NOW,
