My name: Maureen Elizabeth Hickinbottom
My address 16 St Johns Drive, Yeadon, Leeds LS19 7NB

I object to the plans to build 155 houses on A65/Gill Lane greenbelt fields for the following reasons:

Local schools are at capacity.

The developers traffic survey was done during school half term. I can see the traffic from my bedroom. It is nose to nose.

If this plan was to go ahead it would fully urbanise what was once a rural heartland. (At the moment it contains the last farmland for 4 miles along the A65)

Thanking you for giving me the opportunity to raise my objections.
