regarding HG2-10 New Road Side Rawdon  
HG2-12 Fields at Woodlands Drive Rawdon

Please can you leave some greenbelt for us to enjoy and our children to come,,We are villages you are joining us all together and we will lose our identities just think about the future and use brownfields first..What has happened to the Nayler Jenkins Green Lane Rawdon project that is crying out to be done it is a disgrace to Leeds council to watch it fall to vandalism like it has..And please think about the extra traffic the roads around Rawdon and Guiseley can not take anymore So please no more houses or shopping centres save our villages..Thank you..

Mrs Audrey Morgan
