Subject: PDE00625_Planning objection to site HG2-10/site 1221 A65/Gill lane fields
Date: 07 November 2015 16:28:56

I am emailing to object to the above site plans. I am concerned as the development is next to a conservation area and is a habitat for many animals and Rare trees. I am also concerned as it will have a big impact on the already congested traffic in the area.

Regards
David Hallett
