I am writing to register a protest against
HG2 – 15 (3400)
HG2-16 (1002)
HG2-17 (1080_3367A)

These sites are all in Bramhope & will have a major impact on the village ambience and loss of green fields.

In addition the traffic is already impossible on the A660 corridor & to add another 400 + houses would change Bramhope from being a desirable place to live to being a place to avoid.
