To whom it may concern:

As a resident of LS19 I am appalled that it further housing is being considered for this overly congested area.

I am particularly concerned about sites:-

HG2-12 fields at Woodlands Drive, Rawdon

HG3 – 2, Hg3 – 3, HG3 - 4 Fields off A65 Rawdon

HG2 – 41 Fields South of A65 Horsforth roundabout to the crematorium

HG2 – 43 Fields at Horsforth college Campus

To even consider adding further congestion to the A65 is abominable and is NOT consistent with the national policy.

Every effort must be made to use BROWNFIELD sites before any precious green land is considered.

The proposal to use green belt before brownfield is NOT JUSTIFIED.

The proposal to use this Strategis Green Infrastructure GOES AGAINST the Leeds Core Strategy.

The infrastructure of Rawdon, Yeadon and Guiseley is already overburdened as the residents of Aireborough know to their cost. One consolation of living in this area is the green belt around and we have no desire to be joined up to Leeds.

Yours sincerely  
Mrs. Joyce Scully
