Subject: PDE00666_Proposed housing allocations in Bramhope
Date: 06 November 2015 12:48:27

I am writing to lodge my extreme concern at the scale of the proposed development for Bramhope. This is based on the lack of infrastructure that is in place for such a large number of properties. In addition, it is out of all proportion to what is a village, adding some 25% of extra housing and changing the whole nature of the environment. I believe it would overload an already overloaded road system and use valuable green belt land which we should be keeping as a heritage for our children and grandchildren. Once gone it is gone for ever. I am quite sure that it is possible to find enough brown field sites that would cover the growing needs of our society.

Yours faithfully,

Sue Winbolt-Lewis
