Dear Mr Carter,

As a local resident would you please lodge my opposition to the proposed development on Upper Carr Lane. I believe that there are a number of issues that need to be taken into consideration with regard to both existing and possible new residents.

- * building on green belt land
- * the change in 'outlook ' for the properties on Upper Carr Lane
- * Upper Carr Lane already congested with non-resident cars parked on both sides of the road
- * lack of school places for any children moving into the area
- * increased pressure on local doctor / dentist surgery appointments
- * more traffic if houses are built - residents travelling to work, socialising, shopping, taxi-ing children because of lack of a good bus service
- * land drainage could be affected by more houses
- * noise interference made by wagons, workmen etc
- * safety of residents with increased traffic volume

Yours,

Susan Chadwick
