I do NOT agree with the development of this site.

I live in Rawdon, and work in Calverley.

Every day I queue from Green Lane all the way to Greengates. This morning I was only three cars back from joining JCT roundabout, yet it took me fifteen minutes to get into roundabout, as it was completely gridlocked. It took me fifty-three minutes to travel approximately three and a half miles.

On on a weekend both my children attend clubs in Guiseley. Again we we sit in near stationery traffic, rarely getting out of second gear.

These are not unusual circumstances. Our area is being destroyed.

Please please do not inflict further numbers on our already over full society. Our roads simply cannot cope with more traffic.

I have lived all my life in this area, and despair at what it will become if current plans are allowed to proceed.

Please do not ruin the quality of life for the people who live in Aireborough.

Alexis Littlewood
