Message : I am writing to object to Leeds City Councils proposal for housing on Green Belt sites in Rawdon/Horsforth. We have little enough green space in the city and I feel the plans are unjustified and certainly not consistent with NPPF policies. I was under the impression that Leeds City Council were committed to keeping Leeds' green spaces. The schools, medical centers, and other public amenities, especially the roads are over subscribed as it is. The A65 and Ring Road are unable to cope with any more traffic. HG2-41 will no doubt 'meet up' with the estate being built on the old Clarion site in due course not positively prepared I feel.

Thanks
