Please find below the details of the new enquiry submitted by the public user on the Leeds WebSite :

Name : Emma Grunwell

Source : <http://www.leeds.gov.uk/council/Pages/Site-Allocations-Plan---Issues-and-Options.aspx>

Message : I want to comment on the site allocations plan, but you have made it too difficult with your on-line form to actually make my comments. You require a specific site references (your own bureaucratic references) rather than plain english terms like 'Garforth' as a site reference, without which you have put a barrier to me commenting. Disgusting, and surely this means you biasing your response and excluding people from participating in your consultation

Thanks
