Dear Sir/Madam

This response to the Site Allocations Plan – Publication Draft is on behalf of the Ramblers, Leeds Group.

It is always of concern to the Ramblers whenever there are proposals to take land out of the Green Belt for development purposes.

Although the area of the previous UDP Green Belt proposed in the SAP to be allocated for housing is small in percentage terms at 2.3%, it is nevertheless land which will be removed from the Green Belt. We therefore ask that the criteria set out in the National Planning Policy Framework for reviewing Green Belt are rigorously applied in each and every case.

Yours faithfully

Dr Mike Willison
