I do NOT agree with the proposed developments of the above sites.

I live at 61 Greenacre Park Rise, with my wife

Our roads, schools, doctors and entire infrastructure CANNOT cope with the current levels. If you continue with the ludicrous proposals, you will simply cripple our area.

We are not asking for special treatment - we simply want to be able to drive to work, in a faster time than it would take to walk. We want to be able to see a doctor, without planning three weeks ahead of when you might be ill. And we want our children to grow up in a space that still has a few green areas.

Please do not devastate our home.
