Dear sir,

Id like to protest in the strongest possible terms against the proposed developments not only of site HG2-12 but also HG3-2, HG3-3 and HG3-4. These sites are Green Belt land and include Grade 3 farmland. The NPPF requires very special circumstances to build on Green Belt land, what are these very special circumstances that allow the proposal to go ahead? That is, of course, a rhetorical question, there are no special circumstances. There are, however, multiple reasons why these sites should NOT be developed on:
