Protest against all sites listed below which have allocated for future housing projects.

HG2-41/46  
HG1-69  
HG1-87  
HG3-2/4  
HG2-12

I protest against all these sites on the basis that a lot of them are proposed to be built on Greenfield sites which I sort was

Illegal and that there is no consideration laid for upgrade of infrastructure which would affect all these sites.

Yours faithfully
