Dear Sir/Madam

As part of the Leeds site allocation public consultation process I would like to formally object to the proposed development of the following sites:

HG2-5

HG2-6

HG2-4

I don't believe the proposed sites are consistent with national policy , specifically with regards to Green Belt and infrastructure. Leeds has insufficient policies in place to address the issues that these developments will generate.

Please keep me informed of the public examinations, submission of the plans and potential outcome of the review as I would like to retain my right to attend.

Yours faithfully

Sue Bowden
