RE: LEEDS SITE ALLOCATION PLANS - FORMAL OBJECTION

16/11/15

Dear Sir / Madam,

As part of the Leeds Site Allocation Plan public consultation process, I would like to formally object to the proposed development of the following sites:

HG2- 41

HG2- 42

HG2- 43

HG2- 12

It is my understanding that the proposed development sites are NOT consistent with the national policy, specifically with regard to Green Belt. Leeds must continue to protect our Green Belt and greenfields.

The fields and open green spaces, which are being proposed for development, are important to me because I live in Horsforth and enjoy the green open spaces in the local area. I studied conservation at college at Park Lane College, Calverley Lane campus, and the effect on the local area of this proposed work saddens me.

These sites should continue to be part of Leeds' 'Strategic Green Infrastructure' as identified in the

Adopted Core Strategy.

It is my understanding that the proposed development sites are NOT consistent with the national policy, specifically with regard to infrastructure. Leeds has insufficient policies in place to address the issues that these developments will generate. Development and infrastructure requirements must be considered side by side.

Development of these sites on greenfields will lead to nearby villages being engulfed within the 'Main Urban Area' and they will no longer be separate 'Major Settlements' of their own. Reference, Adopted Core Strategy (Map 3, Settlement Hierarchy).

I express my concerns to you as I do not feel that the roads infrastructure, schools or shops can deal with the building work that these plans require, nor the influx of people that the new houses will bring.

Please keep me informed of the public examinations, submission of the plans and potential outcome of the review as I would like to retain my right to attend and speak.

Yours faithfully,

Thomas Leigh, 12, St James Drive, Leeds, LS18 5QX
