Subject: PDE00987_OBJECTION to Leeds Site Allocation Plan HG2-10 Gill Lane Yeadon
Date: 16 November 2015 09:52:58

Dear Sirs

I would like to object to this plan on the basis of lack of infrastructure and severe road congestion at all but the quietest times of the day/week.

I work from home in LS19 and have to make frequent journeys every day to various parts of North Leeds so public transport is not an option and my working day is often restricted by the traffic on the roads now at rush hour periods. More housing and more cars would have a significant impact on my ability to increase my business in the future.

Please reconsider the need for housing in this part of Leeds.

Yours faithfully
