Dear Sirs

Please don't build on our greenspaces.

The site allocations plan is unsound because the Council has not carried out a genuinely comprehensive Green Belt review. We need our Green Belt. We don't need houses. We have enough. Our schools are unable to cope with more children. Our roads are at standstill. Leeds Council is allocating our greenspace as housing simply to allow developers to make multi-million pound profits. Our greenspaces hold valuable ancient history and native plant and animal species. Please leave us alone.

Thank you
