Ref HG2-12, HG2-41, HG3-2, HG3-3, HG3-4

I am a 14 year old boy living in Rawdon.

I object to the above site developments as they will increase pressure on our overcrowded small roads and our over crowded A65.

I object to the site development as they will put further strains on our schools, Doctors, Dentists, Community Services, Public Transport.

I object to the development of these sites as it will destroy green field sites, in the greenbelt and land which separated Rawdon from its neighbours.

i object to the development of these sites as it will destroy natural habitat for wildlife which will not return.

Please listen to my worries.

Yours sincerely
