Dear Sir/Madam,

I am writing to show my complete objection to the proposed plans to develop the following site:

Site HG2-10(1221)Gill Lane

I was born in Leeds and lived in Yeadon, LS19 until I moved to Birmingham to attend university around 16 years ago. Whilst I have made a life for myself in the midlands I am proud of my home city, and the beautiful countryside that I was privileged to have enjoyed as a youngster. I often love to visit my family in Leeds, and love that the area has kept it's stunning rural landscape. I would hate to think that could be lost to develop more homes when I understand that brownfield sites are not being developed.

This beautiful rural landscape is what makes Yorkshire so special and I hope we are able to retain that as long as possible, so that future generations including my children can enjoy it too.

Kind Regards,

Mandy Tranter
