Dear LDF Publication Draft Consultation, Forward Planning and Implementation

Please DO NOT build on the Green Belt land!

I am particularly concerned with sites:

HG2-41 fields South of A65, Horsforth Roundabout to the crematorium
HG2-42 fields at Broadway and Calverley Lane
HG2-43 fields at Horsforth College Campus
HG2-12 fields at Woodlands Drive, Rawdon
HG3-2, HG3-3 and HG3-4 fields off A65, Rawdon

The proposal to include these development sites in the Local Plan is NOT consistent with national policy.

These areas are important to me and my family. They increase our wellbeing, health and exercise regimes. They are vital in our lives and our children's lives going forward.

These sites are the homes of many wildlife and we should protect their habitat and environment.
